# PROJECT TRANSPARENCY

JobTread Project Management Tool

JOBTREAD

Throughout your project, you will have a direct and transparent view into the management of your money and the payment of your invoices. Absolute Design Build clients can log into the JobTread customer portal, our project management software, at any time to see project progress. The use of JobTread during your project ensures a smooth journey while minimizing potential misunderstandings.

Access Project Documents

Gain real-time access to project documents, such as estimates, change orders, and invoices. Track their status and view the complete history of changes to stay well-informed.

Streamlined Messaging

Experience hassle-free communication by centralizing all your conversations in one place. When you comment or inquire, you'll receive email notifications to keep you updated on the discussions.

JOBTREAD

Seamless File & Photo Sharing

Stay in the loop throughout the construction process by effortlessly exchanging files and photos with your contractor. This ensures that everyone remains on the same page at all times.
